STOCKS were comparatively lively between yesterday and today's sessions of the exchange, although dull enough on the board to match the three days preceding. Recess sales reported were 20 Ewa unchanged at 31.75, 50 Onomea down half a point at 55, 60 and 5 Oahu unchanged at 27 and 80 Pahang Rubber at 20, the first being one and a half points below last previous quotation.

At the session 5 Koloa came out, after a long absence, at 200, or 20 points less than last previous record. Cahu brought 27 for 5 shares and 6 Pahang Rubber brought half a point more than the sale noted above.

NEW IN HOSIERY.

The new stockings are so transparent that they look as if none whatever were being worn, and in this way the old French classical fashion of draping the skirt in order to show the leg up to the garter is perpetuated! The stockings are made of tissue, and the favorite colors are flesh-color and gold. The mesh is very wide and very fine, and if nothing else the stockings are exceeding cool.

The exclusive are wearing the finest of fine silk hose, with lace insets, and the spiral design running from the knees to the toes.

Four people narrowly escaped injury and two machines were damaged as the result of an automobile accident which occurred on Kalakaua avenue yesterday afternoon. In one automobile were the Great Raymond and a party of three friends while the other was driven by G. A. Davis.

Raymond's party was headed toward town from the Moana Hotel and the automobile was going at a rapid rate of speed when it collided with Davis, who is alleged to have been on the wrong side of the road. The mud guard and lamps of Raymond's car were shattered, while the front axle and radiator of Davis' car were injured. Davis has agreed to pay the cost of repairs for the car in which Raymond was riding.

XTRAGOOD

## What Every Mother Knows

FOR one thing she knows when boys' clothes are right. Another is the place where she can find EXACTLY what she wants when she wants it, and at the price she wants to pay. And where everything is up to date and the best of its kind it is safe to say she will come again. Because of these things, and the fact that we sell the XTRAGOOD make, we are enrolling the mothers of this city as permanent customers. Come and see.

## Where Do You Buy Your Toilet Goods?

Do you drop in at the most convenient store and take any FACE POWDER or CREAM that may be handed out to you, or that you happen to know by name?

Many face powders contain bleaching chemicals that are dangerous to use—others are made in three or four shades, each shade intended for a certain type of complexion. Some rouges show for a block, while a touch of the right kind cannot be detected.
